## **Warren Willis Camp is G-R-O-W-I-N-G!**

Major renovations and additions are in their beginning stages at the camp, focusing on **Barnett Lodge**. Look for great changes to come! In the meantime, we will be flexible (Isn't that who we are as preschool folks??) as to where certain things will be located for the Conference.

Things may be a little different this year, but we know they will be **FABULOUS**, as always!!

## **Why should I come to UMAP?**

**We know you can get in-service hours and earn CEUs elsewhere, but where can you get them and learn from a *Christian perspective*? Where else can you connect with other United Methodist early childhood professionals who do what you do every day? Where else can you pray together, worship together, sing praises together.. with your colleagues? Where else can you learn how other schools handle the same situations you face every day? How church/school relationships work and how to foster them? How to develop and encourage the faith walk for your children and your co-workers? Where else can you go to see God in the faces of all who attend?**

**Those are just a few reasons why you need to come join us at the .....**

**2012 UMAP Conference!!  
See You There!!**
